For your information, the following is a list of the most frequently raised grounds for relief in habeas corpus proceedings. Do not check any of these listed grounds. If you select one or more of these grounds for relief, you must allege facts. The petition will be returned to you if you merely check (a) through (j) or any one of these grounds.

| CAUTION:  |
| Exhaustion of State Court Remedies: In order to proceed in sederal court you must   |
| ordinarry mist exhaust your state court remedies as to each ground on which you request   |
| detion by the federal court. This means that even if you have exhausted some grounds have   |
| raising them before the California Supreme Court, you must first present all other grounds to the California Supreme Court before raising them in your federal Petition,  |
| • Single Petition: If you fail to set forth all grounds in this Petition challenging a media.   |
| judgment, you may be barred from presenting additional grounds challenging the same judgment at a later date.   |
| Eactual Specificity: You must state facts, not conclusions, in support of your grounds. For example, if you are claiming incompetence of counsel you must state facts specifically setting forth what your attorney did or failed to do. A rule of thumb to follow is — state who did exactly what to violate your federal constitutional rights at what time or place. |
